

## **FRANK TURNER AWARD - 1995**

### **Nan Archibald**

From the day Nan joined our club, she has been active in club affairs. Much of her responsibilities have been behind the scenes. She has always been there to volunteer whenever there is a task to be done.

Her response to every request is always a cheery "I'll do it!" The tasks are never too menial - serving coffee at meetings and Photographers in Action; helping to set up the hall for special events; volunteering to work at the Swap and Shop; nor too demanding - organizing an auction or a banquet, or dealing every month with the advertising for Close-Up. Nana arrived in Victoria in 1986 from Saskatoon, and began immediately to play a very active role in our Club. Saskatoon's loss was certainly our gain. Without her assistance many club activities, which we have all enjoyed, would never have come to pass.

(From Gwyneth Kingham's presentation speech)
