

PSA Interclub Digital Open

This is our first year of competing against other clubs in the US and other countries, and so far we are doing pretty well to say the least. One hundred and thirty clubs are divided into 5 groups, A, B, C, D and E. New clubs are automatically placed in Group E which consists of 38 clubs. There are 4 Rounds of competition and we have just completed 2 of them.

In Round 1, we came 1st, scoring a total of 70 points, a score that would have also put us in 1st place in Groups B and D and in 2nd place in Groups A and C. In addition, 4 VCC members won individual awards. Cim MacDonald was given an Award of Merit for “Night of the Dance”, Suzanne Huot won an Award of Merit for “Snowy Owl on a Mission and Lois Burton received an Award of Merit for “Sunset Flight”. An Honorable Mention was awarded to Mars Romer, for “Intricacy in Simplicity”.

Jonathan Adams took Best of Show in Group E with his magnificent image “Pixie by Starlight”. Honourable mentions were awarded to Gordon Griffiths for “Steptoe Sunset”, Dan Takahashi for “Leopard Lady” and to Tony Knowler for “Patagonian Style”

We are obviously thrilled with these results, but we are only half way through the process, with two more rounds to go, so we need to keep the momentum going. Round 3 has a VCC deadline for submissions of February 15th, so we continue to need your support!
