

Eastwood Photographic Society vs Victoria Camera Club

This friendly competition between the Eastwood Photographic Society of Glasgow, Scotland and the Victoria Camera Club celebrated its twelfth anniversary in 2018. It was initiated by VCC former member Douglas Bain, who moved from Glasgow to Victoria.

Each club submits thirty images, fifteen by novice/intermediate members and fifteen by advanced members to be evaluated by two judges, one from each club. The judges assign a mark out of 20 for each image and the fact that they both comment on all sixty images is an added bonus.

There are two .pdf's below detailing the judges comments of the 2018 competition
