## How to Use the Website for Remote Judging

Victoria Camera Club uses the Visual Pursuits photo club website system to manage club activities, including internal and external competitions and associated judging, live and remote. Judges require a Visual Pursuits account in order to login and judge VCC competitions.

If a **judge already has a Visual Pursuits account**, that account will allow login and judging on the VCC website for only the competition(s) to which the judge has been assigned. The login will not permit any other VCC website membership activities unless the judge is also a member of VCC. A new, separate Visual Pursuits account will not (cannot) be created as a person may have only one account on Visual Pursuits.

If a **judge does not have a Visual Pursuits account** an account will be created by VCC. This account does not grant membership to VCC and can only be used for login and judging competition(s) to which the judge has been assigned.

This Quick Tip walks through using the Remote Judging feature of the Visual Pursuits system used by VCC. Separate instructions will be provided regarding the judging, scoring and awards guidelines for the competition you are judging. These will differ between VCC Internal Competitions, External Competitions, CAPA, etc.

### Using Website Remote Judging

- Select the next competition level you are to judge (for example *Advanced*) and carry on judging

## Assigning Awards

The judging (scores, critiques, ranking) of all images in the competition must be completed and marked completed (see above) before Awards can be assigned.

If you have been asked to assign awards:

- Select the competition level within the competition, then click on “*Sort by Score*”.
  - The image thumbnails should now have a small grey box with an exclamation point beside the score. If this does not happen, try clicking on another level and then back to this one (bug in the system?).
- Now you are to assign the awards in accordance with the scoring directions for the competition:
  - Click on the grey box to see the awards options.
  - Click on the appropriate award.

# Quick Tip #201 v1.0 (Jan 2018)

- If there are more than one judge assigned to the competition then all judges must be finished judging and the *“Scores and ranking have been completed and locked”* box must be checked before Awards can be assigned. The scoring instructions should address this if being used.
- If you have been asked to judge another category, scroll to the top of the Judge Competition screen and click on *“Return to Competition List”* to select the next category.
- When Judging and Awards assignment is completed for your assigned competition(s), notify the VCC Competition Manager at [competitions@victoriacameraclub.ca](mailto:competitions@victoriacameraclub.ca) that you are finished judging.
