

Quick Tip #11

Viewing Competition Results:

Go to: *“Competitions – Competition Results”*

Completed competitions that have been released for viewing will be listed on this page.

If you do not see the competition you are looking for:

- Change either the *“Earliest Competition Date to Select”* or the *“Latest Competition Date to Select”*
- NOTE: when changing dates, once you have moved to the month you want you **MUST** select a day on that calendar or the system will not accept the selection.
- Click on *“Refresh Competition List”*
 - If the competition you are looking for is open for viewing it will be listed

Click on *“Select”* for the competition you want to view

- The images will be displayed in thumbnails within an information box showing Place, Awards, Score (if permitted by the competition setting) and other image information
 - If you hover your cursor over an image a small amount of EXIF information pops up if it was part of the uploaded image.
- The default view is images with Awards
- To see all images
 - Click on the *“Display All Images”* checkbox just under the Competition title.
- You can view the images as:
 - A Slideshow – click on the *“Slideshow”* button under *“Display All”*
 - A thumbnail collection – Click on *“Thumbnails”* under *“Display All”*
 - Click on an individual image to have it open a larger version
