

## **2020 - 2021 North Shore Challenge**

Victoria Camera Club won the 2021 North Shore Photographic Challenge Trophy on Saturday March 6th! Our 6 images garnered 144 points, an average score of 24 which was very high. Second place was Chung Ai Photographic Society with 142.5. Third place was Pacific Digital Photography Club with 140.5

The Challenge is open theme. The 37th Annual North Shore Challenge was held virtually this year.

Congratulations to all of the club members who took the time to enter the selection competition. Without these many robust images, we could not have put forward such a strong entry.
